-

Attachment 1 – Leases project plan

Attachment 2 – Draft TR (implementation guidance)

Attachment 3 – Draft SFFAS (omnibus amendments)

Attachment 4 – Staff analysis of comment letters

To keep the meeting on schedule, staff may tee up discussions by calling on members who provided insightful responses in advance. Staff will ask these members to share their observations before opening up the floor to others. Time will be carefully managed; there may be hard stops to stay on time (within 5 minutes of schedule).
